Looking for a memorable, fun experience for all your guests that deepens the significance of your special occasion – and will make it one to remember?

With Kennedy Heights Arts Center's *Celebrations with heART*, you will engage in a one-of-a-kind, group activity for adults, created and led by professional artists, while celebrating in KHAC's Lindner Event Center. Whether it's your birthday, anniversary or just a girls' night out, you and your guests will have a great time connecting and creating together.

Choose from signature arts experiences in visual arts, dance or music. All activities are suitable for participants of varying ages, backgrounds and abilities. Our artists will work with you to customize the activity to fit your special occasion.

Whether you are using ordinary household objects to create extraordinary music together at a nonprofit fundraiser; making a giant mandala with your co-workers to build and inspire teamwork; or designing funky fashions for an entertaining photo shoot at a birthday party, *Celebrations with heART* is not about being a spectator in the audience. It is about participating in an authentic arts experience that immediately taps into and amplifies the rich array of emotions surrounding life's important events.
