Use the following chart to calculate your tuition amount. Check the box next to your income bracket. *Please note, you may be asked to submit your most recent tax return as proof of income.*

Family (Total Household) Income:

- Less than \$15,000 - 10% of tuition (0.10)
- \$15,000 - \$19,999 - 25% of tuition (0.25)
- \$20,000 - \$29,999 - 40% of tuition (0.40)
- \$30,000 - \$44,999 - 50 % of tuition (0.50)
- \$45,000 - \$59,999 - 65 % of tuition (0.65)
- More than \$60,000 - Full tuition

Use the corresponding decimal value for calculating your payment amount below.

Please calculate your payment based on the following formula:

$$(\$ \underline{\hspace{2cm}}) \times (\underline{\hspace{2cm}}) = \$ \underline{\hspace{2cm}}$$

Full Tuition Amount (ex: \$140) **x** **Income percentage** (ex: 0.25) = **Payment amount** (ex: \$35)
