

## creative activities you can do

A Day in \_\_\_\_\_'s Life  
(Your Pet's)

A Day in My Neighborhood \_\_\_\_\_'s Life  
(Choose an animal in your neighborhood to watch for a day.)

### *How does your pet or another animal in your neighborhood spend their day??*

Pay close attention to your pet (or an animal in your neighborhood) throughout the day. See how many things you can notice about how they spend their time & how they seem to be feeling. Then, write a story about their day from their point-of-view.

Here's a list of things you may want to notice & include in your story:

1. What time does your pet (or the animal) wake up?
2. How do they get breakfast? And what do they eat for breakfast?
3. How many times do they eat during the day? 2 meals? 3 meals? Lots of little meals or snacks throughout the day?
4. Where do they go to the bathroom? Can they go on their own, or does a person need to take them for a walk?
5. Do they spend their days with friends or family, or do they spend their day mostly alone?
6. Do they take naps during they day? If so, where do they sleep?
7. Do they wear a collar?
8. How do they play? Do they have toys?
9. What make them happy or excited? How do they show it?
10. What makes them angry or scared? How do they show that?
11. How do they spend their evening?
12. How do they get ready for bed?
13. Where do they sleep?

We would love to hear about and see your projects! Snap a picture and post on Facebook tagging @khartscenter or text a photo and/or comments to 513.382.4913
